Stonaker, of the Institution and Resources of the State I. An Educational Program for the Promotion of Patriotism. We believe that the first duty of the Council of Defense is to promote patriotic feeling and consecration in the hearts of the people of the State, especially those adopted citizens who have come to West- Virginia to seek larger opportunity and greater freedom, but who need instruction in the principles of democracy and in the exercise of their rights, privileges, and duties as citizens of the State and of the Nation. At our conference of June 29 I submitted an outline of Propaganda for Education in Patriotism believing that the Council would probably wish to undertake immediately the development of such propaganda. Since that time I have submitted the outline to the secretary of the Committee on Education in Patriotism of the National Security League and also to President H. N. McCracken of Yassar College,...
