Axiom Press Publishers. Paperback. Book Condition: New. Paperback. 96 pages. Dimensions: 8.5in. x 5.5in. x 0.2in. Renew your mind. Resurrect your life! The Secure Perspective is an honest, introspective look at how to have a renewed mind and live a victorious life. It is both a spiritual and practical book that provides the reader with real-life events that are not commonly found in mainstream reads. It is different in that it does not paint a perfect picture nor does it try to appear righteous and all-knowing. It emphasizes the need to grow and revisit lessons that have already been learned. The Secure Perspective focuses on one's peace and joy and not just mere financial, materialistic success. It is a book for everyone—especially those seeking to have their true selves rise. So how I could I lose my faith How could I lose my way What I've found is that I am not perfect. I don't have it all together. I'm human. God has blessed me with a first-class education as well as ample opportunities to chase some lofty dreams. But it wasn't until reaching a low point that I realized I wasn't so picture perfect. I had flaws. I had issues. Nothing—not the awards or accolades or attention—could fill the void. Not until I became secure in who I am in God did I feel okay. Finding your security in anything else will leave you wanting for more. —from the Introduction Niki Herbert is a writer, poet, educator and basketball coach.
