Reviews

The most effective ebook i possibly go through. I am quite late in start reading this one, but better then never. Its been designed in an extremely basic way and it is just after i finished reading this ebook by which basically transformed me, modify the way i believe.

RETHINKING HIGHER EDUCATION

Institute of Economic Affairs. Paperback. Book Condition: new. BRAND NEW, Rethinking Higher Education, Thomas Lange, This tightly argued paper asks two fundamental questions about the nature of higher education in this country. Does Britain provide too much higher education, and are the current funding mechanisms fair and efficient? Lange's answers to these questions are controversial, but make a timely contribution to this on-going debate.
