By Martin Sicker

iUniverse, United States, 2006. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This study of the biblical creation narrative, and the wide variety of ways in which it has been interpreted over more than two millennia, is based on the thesis that, notwithstanding its mythopoeic presentation, the essential purpose of the biblical author is to set forth the most essential elements of a political theology, elaborated further through the other narratives and constitutional writings contained in the remainder of the Torah or Pentateuch, that is to serve as the basis upon which an ideal moral and just civilization was to emerge. Approaching the biblical creation narrative from a political perspective entails dealing with a number of significant interpretive issues, one of which is the basic difference in approach to the text historically taken most Jewish and Christian scholars. For many of the latter, the Hebrew Bible, which Christianity dubs the Old Testament, is in its entirety sacred history, whereas for Judaism it is the Torah, the source document of the spiritual, cultural, and mundane history of Israel as a people and nation, the primary perspective reflected in this book. The...
