## I WILL BE YOUR GOD: HOW GOD S COVENANT ENRICHES OUR LIVES

Presbyterian Reformed Pub Co, United States, 2002. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Like many of us, T. M. Moore once viewed the Bible as little more than a handbook on conversion and moral living. Then he came to see the larger view set forth in the biblical teaching on God s covenant. Moore writes, I began to see that all of life is there for taking and remaking--a richer devotional life, sustained growth in the Lord, renewed and more loving relationships, meaningful work and leisure, and the calling to transform every institution, all of culture and society, according to the wisdom and grace of God. I had never heard the Christian faith explained in such cosm and powerful terms. I was stunned. Where had I been? Why was my own experience of Christ so shallow and self-centered?.All at once, as if in a moment, I experienced a stretching of my mind, a reenergizing of my soul, and a kindling of fervor in my heart such as I had never known before. I Will Be Your God is dedicated to encouraging such an outlook on life by promoting a better understanding of the nature, meaning, and implications of living in God s covenant.
