

# Reeds Knot Handbook: A Pocket Guide to Knots, Hitches and Bends

By Jim Whippy

Bloomsbury Publishing PLC, United Kingdom, 2011. Paperback. Book Condition: New. 158 x 100 mm. Language: English . Brand New Book. All boaters need to have a repertoire of reliable knots and splices they can call upon in many situations, both on board and at the dockside. This handy pocket guide, part of the bestselling Reeds Skipper's Handbook series, is a quick aide memoire for experienced sailors, but also provides novice sailors with all they need to know to master the most useful knots and splices they will need on a regular basis when going to sea. Each knot gets a double page spread with a clear photograph showing what the finished knot should look like, and step-by-step diagrams accompanied by straightforward instructions about how to tie it. Helpful text also describes each knot's use, when and why to use it, how strong it is, how quickly it can be tied (and untied), and what type and thickness of rope can be used to tie it with. This is the perfect pocket companion.
