Out of options, Rick joins the weird organization, expecting some two weeks of training and an adjustment period. Tough luck, he doesn't get either. On his first day, his new partner offers to promote him to field agent if they get mated less time wasted on training, more time on the field, and considering Rick is the only tracker the Bureau has on hand when a wave of strange murders hits the community, time is of the essence. Someone's killing the leaders of the paranormal world and mutilating the bodies. Investigating and tracking clues is enough of a challenge, and Rick must contend with an impatient Council, Travis's advances, and actually adjusting to being a lycan. Only one thing is certain: Rick's new life promises plenty of interesting adventures as long as he can survive.
