## BROWN S REQUIEM

HarperCollins, United States, 1998. Paperback. Book Condition: New. 203 x 135 mm. Language: English . Brand New Book. Fritz Brown s L.A. -- and his life -- are masses of contradictions, like stirring chorals sung for the dead. A less-than-spotless former cop with a drinking problem -- a private eye-cum repo man with a taste for great music -- he has ben known to wallow in the grime beneath the Hollywood glitter. But Fritz Brown s life is about to change, thanks to the appearance of a racist psycho who flashes too much cash for a golf caddie and who walked away clean from a multiple murder rap. Reopening this case could be Fritz s redemption; his welcome back to a moral world and his path to a pure and perfect love. But to get there, he must make it through a grim, lightless place where evil has no national borders; where leis beget lies and death begets death; where there s little tolerance for Bach of Beethoven and deadly arson is a lesser mortal sin; and where a p.i. s unhealthy interest in the past can turn beautiful music into a funeral dirge.
