Dodo Press, United Kingdom, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. As knowledge of the traditions, manners, and national traits of the Indians, composing, originally, the six distinct and independent tribes of the Mohawks, Tuscaroras, Onondagas, Senecas, Oneidas, and Cayugas; tribes now merged in, and known as, the Six Nations, possibly, does not extend beyond the immediate district in which they have effected a lodgment, I have laid upon myself the task of tracing their history from the date of their settlement in the County of Brant, entering, at the same time, upon such accessory treatment as would seem to be naturally suggested or embraced by the plan I have set before me. As the essay, therefore, proposes to deal, mainly, with the contemporary history of the Indian, little will be said of his accepted beliefs, at an earlier epoch, or of the then current practices built upon, and enjoined by, his traditionary faith.
