

How Love Can Vanquish War: Love Will Win the Day

By Jesus Laplume

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Humans have many historical reasons to resort to war, but that was never our Destiny. We are destined to grow in our ability to Love, then on into Unconditional Love, and finally much beyond that. At the present moment, there is an exponential process of change underway and business as usual may be permanently a thing of the past. Humans are evolving into a new species who live in evolving stages of Love, not the historical stages of Fear. For a short time, however, the two may compete for dominance and we may be into tumultuous times. Our genes make us susceptible to an us versus them mentality that has been used, and also misused, over the ages to provide supposed safety for our local, tribal and national groups, often with disastrous results. Our most primitive, reptilian brain acts as though life is a kill or be killed affair, while our early mammalian brain is all about small groups being "All for one and one for all!" This is both a step up and a...

Reviews

Thorough guide! Its this sort of excellent read. It is really simplified but unexpected situations in the 50 % in the book. You are going to like just how the blogger create this publication.

-- Prof. Lela Steuber

A must buy book if you need to adding benefit. I actually have read through and so i am certain that i will likely to read through once again once again down the road. I am just quickly could possibly get a delight of looking at a created ebook.
