Ponce Morris is a beautiful, rich widow who s been dubbed the spare wife because she s the perfect companion to the wealthy, powerful couples she socializes with. She ll go to sports events with the husbands and throw elegant dinner parties and shop with the wives. She s cool and nonthreatening because the two things everyone knows for sure are that Ponce doesn t like sex and doesn t have a romantic bone in her body. Over the years, she has managed other people s lives and her own perfectly. Ponce has everything under control, exactly the way she likes it. As Ponce s life threatens to come apart at the seams, the author takes us into a world she knows intimately: a dynamic Manhattan filled with opinion makers...
