Trusted Books, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Have you ever asked God to break your heart with the things that break His heart? Have you ever longed to see people and circumstances through God's eyes? Dr. Ted Kuhn asked God to help him see such things as he traveled the world providing medical care for some of the poorest and most needy people alive. From the slums of Manila to drought-stricken Africa to the villages of Haiti, these stories depict people who struggle for their very existence. My Eyes, His Heart is a collection of word pictures that help us see others as God sees them—all unique, all interesting, all made in His image, and all very precious in His sight. During his travels around the world, Ted Kuhn, a medical doctor, has touched the lives of many by sharing his medical expertise and his faith in the Lord Jesus Christ. My Eyes, His Heart are the stories of his encounters with special people, some in unbelievably squalid conditions, and how they impacted his life. I believe your heart will not be the same when you read these encounters. DR. PAUL KOOISTRA, Coordinator of Mission to the World Presbyterian Church in America Past President, Covenant Seminary, St. Louis, MO.
