But are we all really that locked in to the left or the right? A lifelong liberal, John Moe was determined to find out. So he reset his radio dials from NPR to Rush Limbaugh, joined some of today s most influential conservative thinkers for a series of conversion sessions, made pilgrimages to the Ronald Reagan and Richard M. Nixon museums, and spent the Fourth of July in the most Bush-friendly county in the country, in an attempt to discover if there was actually a conservative trapped inside him yearning to be set free.Conservatize Me is a fresh, humorous, and highly entertaining look at our country s political landscape, one that will strike a powerful chord with millions of disgruntled Americans while stimulating the mind and tickling the funny bone.
