Reviews

Simply no terms to explain. I am quite late in start reading this one, but better then never. Its been written in an remarkably easy way and is particularly merely soon after i finished reading this book where basically changed me, affect the way i really believe.

(Prof. Jedediah Kuhic DVM)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Three years and three months in the English Police. Twenty months as a volunteer Special Constable in the City of London, patrolling the Square Mile. On duty on July 7th and July 21st 2005 in the aftermath of the terrorist attacks. Then nineteen months with Kent Police as a paid Regular officer. If you want a poodle, then buy one. But don't buy a Rottweiler, pull all its teeth out and have it neutered and then complain that it's lost its aggressive edge. The English Police is currently the most emasculating job anyone can ever do if they join up with ideals and a belief that Justice should be served. Stab Proof Scarecrows looks at policing in the UK from a trainee's perspective. Someone who joined with high aspirations of helping to protect people and serve the public trust, only to resign while still in probation after becoming thoroughly disillusioned with the modern world of coppering. Revised and updated from the 2010 edition.
