The series is structured with reference to the learning progression of Arabic at nursery and primary schools researched especially for Collins. This carefully graded approach allows children to build up their reading knowledge of Arabic step by step. Level 4 books are for children who are ready to start to read stories with simple single words or non-verbal sentences with 2 or 3 short words, and with total support through illustrations and extensive use of repetition. Double spacing is used between words to ensure children see where each new word in a sentence begins and ends, with the focus on reading core words. It's a game of hide and seek and Baba the crab is looking for Tutu, but he can't find him anywhere. As he hunts around the seabed he finds lots of other crabs in different hiding places, but will he ever find Tutu? Written and illustrated by Shoo Rayner this is a fun story with lively, colourful artwork.
