Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Light of Language or How to Hear and Read Aright: The King of Sciences I take pleasure in dedicating this work, The Light of Language, to the American public. I have long felt it my duty to give my ideas upon this subject to the reading public, and at last, through the intercession of many of my personal friends, I have consented to do so. I am pleased to find that I begin just where the notable controversy between Hon. W. E. Gladstone and Robert G. Ingersoll ended. Both Mr. Gladstone and Mr. Ingersoll have shown that they understand only one-half of the language as it should be used. This one-sided reading of our language is the cause of much darkness and scepticism. I trust that this work, if properly understood, will begin to dispel all doubt and scepticism from the minds of those thus afflicted. The work is necessarily somewhat fragmentary, as the field of language is so vast that it is impossible to cover all the ground in a work of this...
