CHRISTIANITY AND HISTORY (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Christianity and History The following pages, are an essay not a treatise. They represent certain reflections which have occurred to the writer in regard to the relations between Christianity and historical enquiry. They do not seek to cover the whole ground. The question of the origins of the Christian faith is only incidentally discussed; for I have neither the knowledge nor the skill to offer an independent opinion upon the problems of early Christianity. What I have endeavoured to do is to answer certain questions which the historical enquirer may be supposed to put. Why should I study Christianity, except as a matter of religious feeling? What good would it be to me if I did study it? I have tried to shew that no genuine student can fail to study the Christian religion; and to indicate certain theoretical pitfalls from which it will deliver the pilgrims of the past. I have not discussed the question what Christians have to learn from history, or why they should have regard to its lessons. I have tried to avoid any assumptions about the truth or falsehood of the Christian creed, or the philosophical presuppositions which it implies. There is no theology in the essay.
