Dog Ear Publishing. Paperback. Book Condition: New. Paperback. 312 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. The year is 1942 and the world around you has come undone. You and everyone you know - parents, friends, neighbors - are hunted down and exterminated like vermin. What would you be willing to do to survive? If you were lucky enough to make it through the Holocaust, how would you feel? Could you live with the ghosts of all those less fortunate than you? Could you ever again find meaning in your everyday life knowing first hand the pain and misery suffered by so many around you? Leopold Szor is a Holocaust survivor, one of the fortunate few who have had to wrestle with these issues. A successful New York businessman now retired, Leo found a novel way to deal with the ghosts and memories of his tormented war years. And then he began to write. An amateur playwright, Leo very successfully exploited the dramatic form to examine and explore the entire range of human emotion and interactions brought on during these extraordinary times. Leo's son Daniel created a compilation of these short plays, written over a 10-year period, the centerpiece of which - *The True Messiah* - was produced onstage to critical acclaim in 1997. In this play we witness the collision between pragmatism and romance as Rosa, a Polish housecleaner, balances her desire for love with her need for financial security. *The Chosen People* takes place in the Deep South of the post-war United States, an unexpected setting for two survivors to confront their very different wartime ghosts. Both *Kaddish* and...
