Physical sickness affects more than just our bodies; it takes a toll on our emotional and spiritual health as well. In this honest book, best-selling author John Piper shares ten lessons he learned while in the hospital. Written to help those in the hospital focus their attention on God, his grace, and his plan--when such focus can be especially hard--this volume blends together personal narrative with biblical reflections to help readers rely on the God who stands ready to comfort and support his people. Whether it s cultivating a sense of gratitude, resisting the temptation to watch television 24/7, or looking for ways to serve those around them, this book encourages those who are sick to fight for faith in the midst of their illness.
