Reviews

The book is simple in read through better to fully grasp. It is rally exciting throgh looking at period of time. I discovered this publication from my i and dad encouraged this book to find out.
(Dr. Dillon Monahan)

THE ISLAND OF DOCTOR MOREAU

DOWNLOAD

Wildside Press, United States, 2004. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A shipwreck in the South Seas takes us to a palm-tree paradise where a mad scientist -- the depraved Dr. Moreau -- conducts vile experiments, unspeakable animal experiments with hideous, humanlike results. Edward Prendick, an Englishman whose misfortunes bring him to the island, is witness to the Beast Folk's strange civilization and their eventual terrifying regression. It's the stuff of high adventure; it's also a tale about evolution -- and a satire that plays deliberately in the vein Jonathan Swift mined in *Gulliver's Travels*. It's also a bloody tale of horror. Wells himself was frank about it: *The Island of Dr. Moreau* is an exercise in youthful blasphemy. Now and then, though I rarely admit it, the universe projects itself towards me in a hideous grimace. It grimaced that time, and I did my best to express my vision of the aimless torture in creation. While gene-splicing and bioengineering are common practices today, readers are still astounded at Wells's haunting vision and the ethical questions he raised a century before our time.
