Createspace Independent Publishing Platform, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Relationships. So many trees give their lives in the cause of understanding, improving, dissecting, and building relation-ships. The lion s share of theses books are written about cre-ating positive, helpful environments for reinforcing our relation-ships. This book is not one of them. You see my problem lies in the fact that these environ-ments must be created. It is difficult enough just to live in and understand the environments in which we find ourselves let alone endeavor to create new ones. I always read these books and got fired up about the ideas in the book and went about creating the new environment the author suggested so I could improve my relationships. The trouble was that I worked so hard creating the environment that I lost sight of the im-provements I sought for my relationships. The method be-came the goal and it never worked for me the way I d hoped or the how author said it would. After years of frustration I began to wonder how we might better our relationships in the midst of the environment in which we find ourselves. What if we could use our current circumstances and find ways improve our relationships? What if the negative things we all experience in our relation-ships could somehow be turned into positives? Why can t bad things be used to make good relationships? There are certain negative forces common to the hu-man condition that almost all folks experience: Anger, Unfor-giveness, Confrontation, and Discrimination. If there was a way to turn these negatives into positives, it could be revolu-tionary. Folks could operate within the common circumstanc-es of their interactions and use them to build better...
