Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. If you are a witness to a crime or a victim of a crime, of which no evidence is left other than your testimony, the author of the crime does not have to kill you in order to perfect the crime. Indeed, your sudden death or disappearance will naturally raise law enforcement s suspicion. A crime syndicate can provide a service of perfecting the crime by undermining your psychological credibility: systematic stalking and clandestinely invisible assaults by a multitude of conspiring individuals can be strategically engineered to make your experience resemble either the diagnostic description of persecutory delusional disorder or paranoid schizophrenia. The psychologically discrediting techniques of clandestinely organized stalking assaults include repeated non-lethal poisoning and toxic gassing (of your residence), and assaults committed with classified electro-magnetic (alternatively called psychotronic) weapons, some of which damage internal organs without leaving visible mark of injury. As you complain about the above course of clandestine stalking assaults to the police, you will have a psychiatric warning posted in Spectrum Justice System (the police s cutting-edge database which systematically compiles incident reports, arrest and warrant records and criminal records). Concomitantly, organized perjury is intricately orchestrated in order to subject you to community policing, which structurally deprives you of the right to defense and portrays you as a public threat but not as a victim. Community policing enables the crime syndicate to join the police s effort to keep you under surveillance, and, by so doing, to further infiltrate into and to sabotage the police discursively by using you as bait. The enterprise of perfecting a crime is expedient if you already have the history of psychiatric treatment (including PTSD,...
