Dimensions: 8.9in. x 6.0in. x 1.1in.Macromedia Director 6 is the premiere authoring tool for delivering interactive content on both the Internet and the desktop. It is the dominant multimedia package for Windows 95NT, Windows 3. 1, and the Macintosh. A quarter million developers use Director to incorporate animation and audio into dynamic Web pages, and to create engaging interactive corporate presentations, multimedia advertising, entertainment CD-ROMs, Enhanced music CDs, and even DVDs. Lingo is Directors powerful scripting language. This companion book toDirector in a Nutshell is an essential tool for both new and experienced Lingo programmers seeking a deeper knowledge of the language. Bruce Epstein is the author of both these books and brings years of hands-on experience with Director and Lingo. The book includes numerous useful Lingo examples. Exhaustively tested, this book corrects many errors found in Macromedias Lingo documentation and repeated verbatim in most third-party books. Extremely comprehensive, this book details dozens of misdocumented and undocumented Lingo keywords that are omitted from Macromedias manuals and third-party books. Lingo in a Nutshell caters to the huge pool of Director users attempting to bridge the Lingo gap, yet provides the details for...
